

To whom it may concern

We would like to recommend Mr Tomasz Bednarczyk and Pro-Skippers Polska as excellent sailing competence center. We were sailing together in Croatia from 17th May – 24th May 2014 with Polish, Russian and Lithuanian crew members.

Tomasz was more than competent in this position and portrayed a high level of excellence during our voyage. He is well-organized and can easily join any team. He has proven himself to be amazingly driven and dedicated to sailing and teaching sailing.

During our trip Tomasz performed ISSA trainings for Qualified Crew Member and Inshore Skipper certificate.

He would be an asset to any crew and we recommend him for a future. We are already planning next year together.

Yours sincerely,
